Everyone is aware of the fact that COVID – 19 pandemic is on a spree thought our country and the Government of India and all State Governments are taking efforts to contain the menace. Our institute is also taking every effort to contain the COVID -19 by issuing guidelines to this effect from time to time so that our Institute people including student community is not affected by the pandemic.

In this connection, recently, our Institute has received a communication from Government of India regarding implementation of Social Distancing measures. This is a preventive strategy to contain transmission of COVID – 19 and it will have a major impact in limiting the spread.

The advisory on Social Distancing measures to be adopted in view of spread of COVID – 19 are displayed in our website. All are requested to go through the same and follow the advisory scrupulously.

### Advisory on Social Distancing Measure in view of spread of COVID-19 disease

Social distancing is a non-pharmaceutical infection prevention and control intervention implemented to avoid/decrease contact between those who are infected with a disease causing pathogen and those who are not, so as to stop or slow down the rate and extent of disease transmission in a community. This eventually leads to decrease in spread, morbidity and mortality due to the disease.

In addition to the proposed interventions, the State/UT Governments may prescribe such other measures as they consider necessary.

All these proposed interventions shall be in force till 31<sup>st</sup> of March, 2020. They will be reviewed as per the evolving situation.

#### **The following interventions are proposed:**

1. Closure of all educational establishments (schools, universities etc), gyms, museums, cultural and social centres, swimming pools and theatres. Students should be advised to stay at home. Online education to be promoted.
2. Possibility of postponing exams may be explored. Ongoing exams to be conducted only after ensuring physical distance of one meter amongst students.
3. Encourage private sector organizations/employers to allow employees to work from home wherever feasible.
4. Meetings, as far as feasible, shall be done through video conferences. Minimize or reschedule meetings involving large number of people unless necessary.
5. Restaurants to ensure handwashing protocol and proper cleanliness of frequently touched surfaces. Ensure physical distancing (minimum 1metre) between tables; encourage open air seating where practical with adequate distancing.
6. Keep already planned weddings to a limited gathering, postpone all non-essential social and cultural gatherings.
7. Local authorities to have a dialogue with organizers of sporting events and competitions involving large gatherings and they may be advised to postpone such events.
8. Local authorities to have a dialogue with opinion leaders and religious leaders to regulate mass gatherings and should ensure no overcrowding/at least one metre distance between people.

9. Local authorities to have meeting with traders associations and other stakeholders to regulate hours, exhibit Do's and Don'ts and take up a communication drive in market places like sabzi mandi, anaj mandi, bus depots, railway stations, post-offices etc., where essential services are provided.
10. All commercial activities must keep a distance of one meter between customers. Measures to reduce peak hour crowding in markets.
11. Non-essential travel should be avoided. Buses, Trains and aeroplanes to maximize social distancing in public transport besides ensuring regular and proper disinfection of surfaces.
12. Hospitals to follow necessary protocol related with COVID-19 management as prescribed and restrict family/friends/children visiting patients in hospitals.
13. Hygiene and physical distancing has to be maintained. Shaking hands and hugging as a matter of greeting to be avoided.
14. Special protective measures for delivery men/ women working in online ordering services.
15. Keep communities informed consistently and constantly.
