

# Full Stack Developer Intern

**GoFloaters** is a fast-growing on-demand and flexible work space startup. We are currently operational in 12 cities including Chennai, Bengaluru, Coimbatore, Trichy, Madurai, Kochi, Mumbai and NCR and in the process of expanding our operations across India and internationally.

We are looking for a Full Stack Developer Intern to be a part of the product development team.

## The Ideal candidate :

1. Is excited about and wants to play a part in the #futureofwork paradigm
2. Is a self-starter and loves to solve problems through technology
3. Must be excited about learning new technologies
4. Has a passion and some experience in creating web/mobile applications.
5. Has solid Web fundamentals - JavaScript, HTML and CSS
6. Has good exposure to design and development of hybrid mobile/web apps using Vue.JS framework. In the absence of exposure to Vue.JS, the candidate should have exposure to either Angular or React.
7. Is competent with developing REST APIs using NodeJs
8. Is able to convert screens from design to page using bootstrap or materialize or HTML,CSS
9. Has experience / exposure to incorporating responsive design for Desktop, Tablet, and Mobile
10. Is familiar with version control (GIT). Bitbucket would be an added advantage
11. Has a basic understanding of CRUD, API Design, HTTP methods
12. Is familiar with NoSQL Databases such as MongoDB and database design for multi-tenant applications
13. Exposure to Google Firebase project and Firestore real-time database will be an added advantage

## He / she will :

1. Work with the CTO of GoFloaters directly
2. Get familiar with the needs, goals, terminology, and key issues of customers in the target market
3. Partner with engineering to drive technical projects and be a leader
4. Iterates on product requirements and design based on market research and customer feedback

5. Manage the product backlog and opportunity backlog to consistently innovate and improve the business

## Internship Benefits

1. Flexible hours
2. Fun team to work with
3. Work with best minds in the start-up ecosystem
4. Be a part of the future of work
5. Remote work. You can work from wherever you are as long as you have a laptop and a good internet connection.
6. Letter of experience and recommendation on the successful completion of internship

## Internship Duration

Minimum 2 months. The duration of internship will be decided based on the availability of the candidate but a minimum commitment of 2 months is required.
