The following members attended the meeting as special invitees:

1. Superintendent Engineer, CPWD, Madurai Division
2. Executive Engineer, CPWD, Madurai Division
3. Senior Architect, CPWD, Madurai Division

The Chairperson welcomed the members to the first meeting of the Building and Works Committee/IIT Tiruchirappalli. The following decisions were taken in the meeting:

IIIT/01/BWC/ <b>RESOLUTION 01</b>	<b>Master Plan of the Institute for the Sanctioned Amount</b>
--------------------------------------	---------------------------------------------------------------

The committee scrutinized the plan submitted by the CPWD and recommended the plan attached for an estimated cost of **Rs.114 Crores**. This work will be carried out by the CPWD, Madurai Division. This escalation by Rs.4 crores may kindly be approved.

IIIT/01/BWC/ <b>RESOLUTION 02</b>	<b>Details of Individual Buildings</b>
--------------------------------------	----------------------------------------

The Committee scrutinized the details of the master plan as well as that of individual buildings as proposed by the CPWD. The committee members gave very constructive suggestions, which helped to improve the master plan as well as the functionality of the buildings. The committee approved the overall area requirements for the academic and administrative building, boys and girls hostels and Common mess facility. The committee suggested modifications with respect to reorganization of internal planforms, considering functionality, orientation, regrouping and energy efficiency aspects. CPWD officials agreed to incorporate the suggestions into the master plan as well as in building planform. Such changes will not have any cost implication, i.e. will be met within the above recommended budget. The final recommendation of the BWC will be presented to the BoG in its next meeting.

The meeting ended with thanks to the Chairperson and other members proposed by the Secretary, BWC.

 15/06/19
