- Mode of examination is online using either Codetantra / Google Classroom or other platforms.
- Students are permitted to upload the answer scripts within 30 minutes after the exam on the same day.

- Students are requested to strictly adhere to the rules suggested by the institute and complete all the examinations successfully. In case of any technical issues, students are asked to contact the concerned faculty member immediately.
- Students are advised to write the examination with right environment and not to allow any disturbances from relatives or others during the entire duration.
- Students are advised to ensure that the bandwidth connectivity, power backup and laptops are charged enough prior to exams and any other support in an uninterrupted way.
- Parents are requested to ensure that their ward is following all the instructions, particularly while submitting the exam papers and not discussing with anyone during the entire process of examination.
- Institute is concerned about students securing deserving grades. Hence, parents are requested to ensure that their ward is not involved in any unfair means during the examinations.
- After working out this for final year students and assessing their performance, the exact procedures for other students (I, II, III years) will be worked out.
